

20 December 1957

The Honorable Joel T. Brayhill
U. S. House of Representatives
Washington 25, D. C.

Dear Mr. Brayhill:

With regard to Mr. Samuel E. Hoel's letter of 17 December 1957, I am sure you know that he has been very much opposed to our plans to locate the new Central Intelligence Agency Headquarters Building at Langley, Virginia. We have met with him on several occasions to discuss various aspects of this matter and have always dealt with him in the same forthright manner in which we have tried to deal with everyone interested in the project.

I regret that we have been unable, for reasons which I am sure you appreciate, to give definitive answers concerning detailed plans for handling traffic during the construction period.

Sincerely,

/s/

L. K. White
